

Terms & Conditions

Rental fees and deposits are due in advance or must be guaranteed by an approved credit card.

Rates are based on an 8 hour day, 40 hour week and 160 hour month. Equipment will not exceed the hours associated with the specified rental period. Any additional hours will be charged at a prorated rate.

Lessee must insure equipment while in his possession against theft, vandalism and physical damage. Insurance Certificate is Required prior to delivery to customer.

Lessee will furnish a qualified operator and accepts responsibility for proper operation and care of equipment.

Lessee will be assessed an additional charge for fuel, cleaning, and damage.

Rental charges will continue until equipments is returned to Clinton Equipment Company or the rental office has been notified that the equipment is ready for pick-up.

Lessee is responsible for transportation of equipment. Delivery and pick-up is available at an additional charge. Ask for quote on delivery or pick-up.

Rentals are subject to availability. Rates are subject to change. Extreme use applications are subject to a rental rate adjustment. An additional clean-up charge will be assessed on equipment returned dirty.

Rain Outs: If the scheduled use of equipment is rained out, the customer may reschedule based on availability of equipment. The equipment must be returned by customer or available for immediate pick up by CEC if the rental charge is to be waived.
